RE: Students who move during the CRT and CRT-Alternate Testing Windows—Spring 2012

School Testing Window Requirements:

- The state testing window for the CRT is February 29 – March 23, 2012.
- The school testing window must be within the state testing window.
  - The school testing window includes regularly scheduled testing and make-up tests. Example: If a school's regularly scheduled testing window ends on March 15 and a makeup is given on March 16, the last day of the school's testing window is March 16.

AIM Data Collections and Requirements:

- Test Window Count Date: **March 13, 2012**
- The Program Participation Collection begins March 1 and ends March 23, 2012. Program Participation data is reported in AIM for all students enrolled in the school during the testing window (including non-tested grades and CRT Alternate students). All data should be accurate as of the test window count date of March 13, 2012.
- The Test Window Attendance Collection begins March 13 and ends March 23, 2012. You must report the aggregate hours and absences of all students as of March 13. Use the next regularly scheduled school day if your school is not in session on March 13, 2012. The attendance count (absent field) reported in the Fall Attendance Collection and the Test Window Attendance Collection are averaged to determine the school's attendance rate which is used in AYP calculations. This field does not indicate if the student *participated* in the CRT assessment.

On the following pages are three tables:

**Table 1**

Provides guidance for Testing Procedures, AIM Enrollment Status, and Program Participation and Attendance Collections for students who move from one Montana public school to another during the state testing window.

**Tables 2 and 3**

Provide guidance on Testing Procedures, AIM Enrollment Status, and Program Participation and Attendance Collections for newly enrolled students who enroll from a private or home school, from out of state, or who transfer to a private or home school or move out of state during or after the school's testing window.
